

## FOCUS ON FETAL ALCOHOL SPECTRUM DISORDERS IN WA

The Telethon Institute for Child Health Research and the Drug and Alcohol Office of Western Australia are delighted to extend to you this invitation to attend the '**Focus on Fetal Alcohol Spectrum Disorder in WA**' Forum. You will have the opportunity to hear from researchers, clinicians and parents on FASD projects and activities in Western Australia.

The seminar includes presentations from 13 organisations with dedicated Q&A time after each speaker, networking opportunities at morning tea and lunch, and a display area where you can promote your project and learn what others are doing.

- Date:** Monday 27 February 2012
- Time:** 8.30am Registration  
9.00am – 4.00pm (Morning tea and lunch will be provided)
- Venue:** Telethon Institute for Child Health Research  
100 Roberts Road, Subiaco (Entrance on Hamilton Street)  
Seminar Room
